SO ORDERED:

HON. NELSON S. ROMÁN
UNITED STATES DISTRICT JUDGE

Re: *United States v. Helbran*, 19-cr-497 (NSR)-09

Dear Judge Román:

Reproduced below is *pro se* defendant Mordechay Malka's request for expedited review of Magistrate Judge Krause's bail determination. The government has ordered the transcript:

April 21, 2022

Dear Honorable Judge Roman:

I am writing this letter to request the Court for an emergency bail review. As you know, I had a bail hearing with Magistrate Judge Krause, last week, who advised me that I can appeal his decision through you, the Court. Because I have not had a full chance to make all of my arguments before Judge Krause, Judge Krause said that I could complete my arguments with the District Judge.

And because we are heading for trial, we have deadlines coming up that I see no way I can meet, because of the extreme restrictions on my ability to defend myself that I am facing, of which you already are aware. I have no way to prepare for trial in jail. Therefore, I respectfully ask the Court to grant me an emergency bail hearing as soon as possible so that I can have a chance to bail out and prepare for trial.

I do not even see how I can make the May 2nd deadlines with my restrictions, therefore it is an emergency.

Sincerely,

Mordechay Malka
Standby Counsel, Susan Wolfe
